

# United Kingdom

## What we should already know:

- We live in England.
- There are different countries in the world.
- My address (where I live)
- What a map looks like

## What will we be learning?

- The location of the four countries.
- The four capitals and surrounding seas.
- Human and physical features of the UK.
- Human and physical features of the capital cities.
- Sharing our understanding of the UK.

## Key knowledge

- **Each country** has its **own flag**.
- The **United Kingdom** also has a flag, which is sometimes called the **Union Jack**.
- The United Kingdom is an **island**: it is surrounded by water.
- The UK has human and physical features.
- Human features are made by people and physical features are made by nature.

## Glossary

**capital city:** *the city where a country's government is, such as London or Edinburgh*

**country:** *an area of land that has its own government, such as the UK or France*

**feature:** *something you would find in a place that is usually there (such as a hill or a house)*
