

Year 6 Curriculum Overview

English

Spelling – weekly spelling tests

Reading – Children will continue to develop their responses to retrieval and inference questions and develop their answers using PEE – Point, Evidence and Explanation.

Grammar and Punctuation – Pupils will continue to develop their use of punctuation including colons, semi-colon and hyphens.

Writing – Pupils will learn how to make fictional diary entries based on *The Children of Willesden Lane*. They will practice using emotive and figurative language and time adverbials to write their own diary entries. Later in the term they will develop their composition of 'Character descriptions' and then study 'Newspaper Report Writing'.

Chosen Texts – *The Children of Willesden Lane* by Mona Golabek, Lee Cohen. This will be used as stimulus for both writing and reading tasks.

Autumn Term 2024

Maths

Number: Place Value, Addition, Subtraction, Multiplication and Division.

The children will learn key skills:

To read, interpret and round numbers to 10,000,000
